# Charismatic Communication for Leading

for Leaders, Managers, Business Owners and Parents

Perfect the art of engaging, influencing and negotiating to build rapport, create consensus, develop your personal effectiveness and successfully facilitate tension & conflict.

The ability to successfully navigate conflict ranks as the highest area of concern for CEO's (sourced from the Stanford Graduate School of Business Executive Coaching Survey, 2013). Take your leadership skills to the next level. You'll gain a suite of skills & techniques that support the successful resolution of communication disputes & conflict, to boost your resilience, save you time and reduce your stress using proven techniques that make a big difference in productivity and results.

## Who should attend?

Managers, leaders, business owners and parents who want to improve their communication and feedback skills and gain a deep understanding of how to adapt their behaviours to get the best out of others.

***“The biggest single problem in communication is the illusion that it has taken place.”***

- George Bernard Shaw

## Topics and learning outcomes

This is a practical and a skills-based training, that will translate directly back into your personal and professional life and you'll leave with the ability to communicate in new and more effective ways.

- Lead the process of people-connection to quickly and easily create productive relationships.
- Help others to confidently help themselves.
- Get your needs met and maintain your relationships personally and professionally.
- Resolve disagreements in any situation and maintain rapport.
- Develop strategies and plans to produce win-win results.
- Influence others and keep your relationships.

# What others have said about the Charismatic Communication Training

TESTIMONIALS

*"...outstanding and empowering 9-week course which I highly recommend ... provides key principles and practical tools ... engaging, energizing, thought-provoking and great value. It made me more aware of how I have been communicating ... and the style I default to in times of overwhelm and/or stress. There was so much significant learning..."* – L.M., Whangarei

*"...Best course I've done. I recommend it for everybody."* - NRC Employee

*"Doing it once a week allowed for marinating the information between each session & to develop a skill base that can be used across your life in all facets ie: work, family, children..."* - Kim, Civil Defence Emergency Management, Northland Regional Council.

*"Very worthwhile doing this course if you are managing staff or dealing with a lot of people at work."* - AT, North Drill Ltd

*"Will provide you with tools to develop stronger relationships with people ... while respecting their self-esteem. I'm a lot calmer overall due to learning these skills and feeling confident within myself."* – Megan Hodgson, Whangarei

*"...You think you are a good communicator, but doing this shows you how much you don't know and how we can improve...."* - CW, Whangarei

*"Great examples, storytelling and wonderful instruction while taking us through the material. Extremely worthwhile investment and everyone can take something from it."* - Andrea O'Brien

*"In-depth insight into communication and what it really means to listen, not just hear."* - Raymond, Whangarei

*"The most value for me is the eye opening to new skills sets available for use ... transformational!"* – R.C.

*"Life-changing – everyone should do it. It has given me tools to communicate – in particular at home with my partner and especially with my daughter who suffers from anxiety ..."* - C.N.

*"Awesome structure - each week we learned more tools and reinforced the learning from the previous week. I feel like I learned a lot more with this approach. ... helps you develop the skills to use the information you're learning."* - G.T.

*"Realised where my communication was breaking down and found out the skills to use to make it better - it's amazing! Discovered communication issues and tools to improve in every area of life ... discover what you don't know about effective communication, practice new skills and see first-hand the difference it makes in all areas of your life."* – V.H.

*"Highly valuable. I believe everyone can learn/grow from this even if one's already a great communicator. The accessibility of the learning ... it's not rocket science, we all know this stuff, it's a matter of being conscious and becoming more agile at using the skills. To me that's what makes it different from other courses ..."* – J.C.P.

*"Informative and life-changing in the way you communicate with family, friends, workmates and strangers. The most influential course I have ever been on."* - Leanne Martinovich

*"The content each week was gold for me. My relationship with my kids and husband has flourished. This course has helped build on the learnings already in me and has made me calmer and able to hear loud and clear. I don't feel the need to take things personally if someone doesn't share my view which is huge ..."* - Jodi Hauraki

*"I've been doing this amazing course – it's been such a journey. I've learned so much about myself and my communication skills have improved so much ... Everything has changed for me..."* - M. Ryan, Whangarei
